

Monologue Jokes

- Because of the COVID-19 outbreak, New York Legal Marijuana Push 'Effectively Over' For 2020, Governor Says. Cuomo says it's up to lawmakers to get this bill puff puff passed. Lawmakers, however say, it's up to how much they're trying to impress their step-kids in 2021.
- The governor has said that the best way to get the legalization of Marijuana is through the budget, and the second best way is by sending nude pictures to the government.
- Experts are saying that following the quarantine from coronavirus, we shouldn't expect a baby boom. It appears experts have not interviewed my biological clock.
- Kenneth Johnson, professor of sociology and demographer at the University of New Hampshire says "This is not the kind of environment in which people say, 'Let's bring a child into the world now,'" and of course it isn't. This is 2020. We're saying things like "Imma put a baby in you bitch."
- Experts say we won't have a baby boom because we're actually all going to die.
- "I do think that the one of the reasons that so many people are turning to sex is not only they've got the time, but it's actually very good for you" - Helen Fisher, senior research fellow at the Kinsey Institute, and woman who's husband has seemed to be really busy lately
- Apple closed factories in China, without jobs, what will children do all day?
- People are talking about making Dr. Anthony Fauci, sexiest man alive in this year's people magazine, because as one reporter said "brains are sexy." That's right, brains. Sorry Fauci, in case you thought it was for your looks, this one reporter was very clear that is not it.
 - It's no surprise it took the public until 2020 to realize brains were sexy, it took People Magazine until 2018 to realize that black men could be sexy with Idris Elba.
 - I know Dr. Fauci takes his job very seriously, but I bet somewhere inside of him he's like I hope that the girl who stood me up at prom sees this.
 - Of course he's going to be the sexiest man alive because he's going to be the only man alive. Everyone is sitting around daydreaming about him while he's the only one washing his hands for two full "Happy Birthday[s]"
- Coronavirus is changing online dating permanently. Now that people have to wait before meeting in person due to social distancing, they might actually end up liking the person without sleeping with them.
 - Now that online dating over video chat has begun, many dating apps are pleased to have a reason for their exclusive video chat rooms.
- A couple claims that Apple's airpods pro saved their marriage because one of them thought their spouse was so loud over the phone while working from home during quarantine. Although these new headphones can cost up to \$300, it is far cheaper than having a child.
- Tom Hanks' son Colin shares tutorial on how to turn kerchiefs into coronavirus masks, which is a relief after seeing Tom Hanks' son Chet share all of his tattoos.

- In a Mirror article, Gwyneth Paltrow shares the best vibrators to use during coronavirus lockdown in case you haven't heard yet that she has a vagina.

Refillable Late Night Desk Bits

- "How Does That Make You Feel" - in this desk bit, the host takes footage from Donald Trump's press conferences when he says he is "feeling" a specific way and frames them as if the president is in a therapy session. I.e., from Trump's March 20th press briefing:
 - Host: Donald, I've just heard Dr. Fauci is going to be named People's Sexiest man alive.
 - Trump: "I think we disagree a little bit"
 - Host: And how does that make you feel?
 - Trump: "I feel good about it."
 - Host: You really feel that he's a hot enough guy?
 - Trump: "That's all it is, just a feeling, you know, smart guy."
 He expresses how he feels fairly frequently with saying "I feel."
- "Facewatch"- In this segment, some of the funniest faces seen all week in reaction to political statements can be found.
- "What Will I Say to my Kids!" - Many parents fear their children asking how babies are made, but in today's political climate, other questions may arise. In this segment, the host explains news events in a fashion that you can share with your kids. For example, explaining the rules of staying home for COVID-19 safety can be shown simply by the "this little piggy" story played with a child's toes. Like "This little piggy went to market, but left early enough to make it home for state curfew before 8 pm, this little piggy stayed home, this little piggy stayed home, this little piggy stayed home, and this little piggy ran all the way around the house."

Viral Content Ideas

- "Surprise Babysitter" - In this viral bit, the host invites a celebrity over to their house, and then pretends that they have an errand to run, saying "would you mind watching my kids for just a bit" and the host leaves the children with the celebrity.
- "Do Ya Still Got it?"- In this bit, celebrities return to their roots and work a shift in the job they had before they became famous to see if they, in fact, still have it.
- "Celebrity baby books" Each celeb brings their baby book on the show and reads funny stories and shares funny pictures

SNL-Style Sketch #1, "Which Ex Do I Bang Next"

Fade in

INT. GAME SHOW "WHICH EX DO I BANG NEXT"

On left side, JORDAN sits in chair under spotlight, on right side we see three chairs in the dark.

JORDAN, young woman

JORDAN

Hey everyone, and welcome to Which Ex Do I Bang Next! The show where I decide between three of my ex-boyfriends which one I should hook up with again! But it's, like, totally okay because it's only because its only for sex, and I'm completely not emotionally attached to any of them at all for the most part.

MUSIC TRANSITION

JORDAN

Tonight's first ex is Ryan! Ryan and I met when we were having sex when we were studying abroad in Italy. We never technically dated, but, I did him more than I did my homework. No, seriously, I almost failed the class I was taking there. At the end of the semester, Ryan told me he didn't want a girlfriend, and I said, "Me neither, I also don't want a girlfriend." And he said, "No Jordan, I don't want a relationship." Well, turns out he did want a relationship because when we got to America, he got back with his ex-girlfriend.

RYAN

Um...actually, she wasn't my ex, I was pretty much dating her the whole time you and I were in Italy.

JORDAN

...Really?

RYAN

...Yeah...I feel like you should know now...I felt like this was an appropriate time...are you mad at me?

JORDAN

(pause) Mad? Oh my god, no. I'm not mad. I'm not upset at all. I'm, like, totally fine. That totally makes sense. I'm fine! I'm really fine.

Silence.

RYAN

So...are you gonna introduce the next guest?

JORDAN

Right. Yes, the next guest. Yes. (pause, takes breath) Alright well the next guest! Is also named Jordan. We also never technically dated, Jordan and I just kinda met at Staples, and started talking because we have the same name. Then we porked in the back of his Subaru. Jordan may have just moved down to the basement of his mom's house, but he is moving up in the world on online poker! Ugh. Yeah, he was pretty much my rebound after Ryan. How's it going Jason?

JORDAN B

It's Jordan.

JORDAN

Jordan. Sorry.

JORDAN B

We have the same name.

JORDAN

Yeah, I know, I'm just, just a little messed up right now.

JORDAN B

Are you alright? Do you wanna talk about it? I got plenty of tissues back at my mom's place, I use them all the time myself.

JORDAN

Well, I don't know, I mean I'm kinda in the middle of this show right now-

JORDAN B

Well, what are you doing later?

JORDAN

Oh, I don't know I don't have any plans yet.

JORDAN B

Okay, sweet sounds good! Hey- don't forget you're beautiful.

JORDAN

Okay, thanks Jordan. (pause) Alright and our last ex of the night is the man who gave me my first kiss ever, Tyler! Tyler and I never dated, or even had sex actually, but in seventh grade, he sent me a picture of his penis so I know it's alright. Since, he has graduated

from Sacred Heart and is working on getting his masters from NYU while he's currently teaching kindergarten. Unfortunately though, he is a Soundcloud rapper. How's it going Tyler?

TYLER

Hey Jordan! Thanks so much for having me here. Yeah, uhh, the Soundcloud thing, that was, uhh, just a rap I made for my kindergarten students so that they could learn the months of the year actually. Nothing else. I am most definitely not a failed soundcloud rapper- I mean soundcloud rapper. Definitely not.

JORDAN

Okay! Before we get started on the game, we're actually gonna take a quick call from two guys I friendzoned via satellite from back home in California- hey guys!

TREVOR

Hey Jordan!

MARK

I love you.

JORDAN

Trevor and Mark weren't able to make it here tonight on account of the fact that I don't picture either of them sexually at all.

TREVOR

Hey, you know we can hear you right? (nervous laughter)

JORDAN

Yep!

MARK

Look Jordan, we don't care what guy you choose tonight, we just want it to be some guy who puts a smile on your face and makes you feel safe.

TREVOR

Dude! Whose team are you on?

JORDAN

Aw, that's sweet of you Mark! But I'm pretty sure that's not going to happen because I'm probably going to sleep with Ryan.

TREVOR

Ryan? Are you out of your mind?

MARK

That guy cheated on his girlfriend with you!

JORDAN

Yeah, but it's not like he's gonna do it again!

TREVOR

Ryan, are you even single?

RYAN

Uhh nope.

TREVOR

Jordan, what do you see in this guy!?

JORDAN B

Uhh... I don't know, I just met him, he's got a pretty dope hat.

MARK

No, not you, you mole rat! He's talking to the beautiful woman!

JORDAN

Oh wow, Mark, you're too nice. Why can't I find a guy like you?

MARK

(sarcasm) God only knows.

TREVOR

Look, Jordan, just promise us you won't sleep with Ryan?

JORDAN B

Woah, his hat wasn't that cool, I was just saying that to be polite.

MARK

Dude! Not you! And yeah, his hat really isn't that cool.

TYLER

Look, can I...go? I just feel like I'm probably not gonna win.

JORDAN B

Aw, come on man! Where's that Soundcloud rapper confidence!

TYLER

You guys, I am not a soundcloud rapper!

JORDAN

Uhh are you sure Tyler? Because then why would my cue cards be telling me that you're a soundcloud rapper?

TYLER

Um, I don't know.

JORDAN

Tyler, are you lying to me?

TYLER

Okay, well, this one time the summer before I went to Sacred Heart, I was in the shower and I started, you know, spitting some mad fire, and thought okay this is good, but I never recorded it or anything!

JORDAN

Tyler...

TYLER

Okay, FINE! I did! I wanted to be a Soundcloud rapper! I lied to you! Bells ring and confetti flies through the air.

JORDAN

Congrats Tyler! You just proved yourself the most shameful person for me to hook up with! You've just won the Ex I will Bang Next! Thanks to everyone for participating! I will see you later on Should I Fake a Pregnancy? It's not even a game show, its actually just an online poll!

SNL-Style Sketch #2, "Weekend Update with Guy Who Definitely Committed a Crime"

INT. WEEKEND UPDATE DESK

COLIN

Despite people being told to stay in their homes for fear of spreading COVID-19, major crime in New York City has increased by 12 percent.

For your Weekend Update Crime News Briefing, we turn to Guy Who Definitely Committed a Crime.

Enter GUY

GUY looks over each of his shoulders in fear, then calms down

GUY

Thank you, Colin. So apparently, five of the seven major index crimes – robbery, felony assault, burglary, grand larceny and car theft – have gone up since last year and- wh-why are you looking at me?

COLIN

...you're talking! You're our crime expert, you know all about this stuff!

GUY

Oh no, I don't know about any of this stuff really, I'm just I'm just here to, uhh, report statistics.

GUY clears throat

GUY

In local crime news, two men offered to help a 91-year-old woman walk to her home in Greenwich Village at four in the morning in exchange for ten dollars. One of the men noticed she was holding \$110 and ripped it out of her grasp, leaving her on the sidewalk.

COLIN

That is horrible. How can somebody do that?

GUY freezes.

GUY

I-I have no idea Colin.

GUY shifts, money falls out of his jacket pocket.

COLIN

Oh you dropped something!

COLIN picks it up

COLIN

Is this...\$110?

GUY quickly grabs money out of COLIN's hand

GUY

Uhh... oh that's just, uhh, it was just my birthday, uhh my grandmother usually sends me some cash on my birthday.

COLIN

Oh! When's your birthday?

GUY

September 15th. Uhh I mean April-March 15th, let's move on.

A man was sprayed with a chemical while being robbed in his Washington Heights building. The man defended himself against the robber by hitting the perp in the head with the bag of canned beans he was holding. The robber only got away with \$15.

GUY runs fingers through hair, revealing a huge band-aid on forehead.

COLIN

That's gotta hurt.

GUY

Yeah, only \$15!

COLIN

I wonder what kind of spray it was!

GUY

Oh, kloroxiformune.

COLIN

Hey how'd you know that- I don't think that's in the report!

GUY

Uhh- kloroxiformune is the number one thing on the black market.

COLIN gives GUY a weird glare.

GUY (cont'd.)

Uhh..according to my research!

A 23-year-old Asian woman was attacked in a possible coronavirus bias related crime, which is just messed up, I would never do that.

COLIN

Well, I would hope you wouldn't do any of this!

GUY

Oh, yeah! Well... I wish no one would do any of this! Crime is...wrong!

OMINOUS WILD WILD WEST MUSIC PLAYS

MICHAEL

Hold up, hold up, Guy. Is there something you know that we don't?

GUY

Me? No, not at all. I don't know what you're talking about.

MICHAEL

Punks in this town have been getting away with these crimes for way too long. Whoever's done this needs to be locked up. Who are these people who need to be brought to justice?

GUY

I've told you everything I know Che! I'm sorry I don't have any more information for you!

MICHAEL

GIVE US ANSWERS NOW, GUY!

COLIN

Sorry, Guy, don't listen to him. He doesn't get us. Now it would be helpful if you by any chance have any more info on these crimes that you're not sharing with us.

GUY

Oh, well, maybe I know a little more.

COLIN

Oh! I'm getting news that we actually have a picture of the perpetrator from earlier- and here he is!

PICTURE OF PERP is onscreen. GUY resembles image completely, except for a mustache.

GUY's mustache falls off right next to the image of the picture.

GUY

Actually- I umm... I have a meeting right now that I am so late for and totally forgot about, but this has been very nice- uhh I'll see you guys soon!

GUY runs offstage

COLIN

Guy Who Definitely Committed a Crime, everybody!!
